Benefits of Becoming a Member of Calvary Church

IDENTITY

1 Corinthians 12:20 says, "There are many members, yet one body." Jesus intended for His people to be clearly identified as members of "the body of Christ." Becoming a member is a public declaration that you're part of the church body.

COMMUNITY AND BELONGING

When you become a member, Calvary is YOUR church. We're relational beings and we need each other. Life can be hard, but having friends that encourage and offer support lightens our load.

SHARING RESPONSIBILITY

We're in this together. As a member of Calvary, you make a commitment to impact your world. That's how the body of Christ accomplishes amazing things.

MAKING IT HAPPEN

When we come together as a committed body of Christ, we can accomplish what Jesus commissioned us to do—spread the good news of the Gospel and be a light to our community and world.

Thrive

God loves you and has a plan for you, a plan to give you a hope and a future. No matter where you've been or what you've done, his love abounds. And he doesn't want you to just survive, but to thrive.

That's why we have these two-week classes led by members of our pastoral staff called Thrive where you can learn more about Calvary and discover your next steps to getting involved in this community.
