Thanksgiving Food Basket

Buy groceries to fill a Thanksgiving food basket for a family in need, and bring your food to Calvary Church's Roseville Campus for immediate distribution to people in our congregation and at area inner-city churches. Drivers will distribute the baskets the same evening. This is our Step Up activity for the month of November.

SHOPPING SUGGESTIONS

Bring the grocery items listed at right in a heavy corrugate box with handles (available at Cub Foods). Try to avoid substitutions. If unavoidable, substitute an item that is easy to prepare. For instance, buy a frozen pie rather than ingredients for a pie. Purchase stuffing that can be prepared on the stove. Gravy can be in cans, jars, or a dry mix.
